Kahoot! is on a mission to make learning awesome! We want to empower everyone, including children, students, and employees to unlock their full learning potential.

Launched in 2013, Kahoot!’s vision is to build the leading learning platform in the world. Since launch, Kahoot! has hosted hundreds of millions of learning sessions with 8 billion participants (non-unique) in more than 200 countries and regions. The Kahoot! Group includes Clever, the leading US K-12 EdTech learning platform, together with the learning apps DragonBox, Poio, Drops, Actimo, Motimate, and Whiteboard.fi. The Kahoot! Group is headquartered in Oslo, Norway with offices in the US, the UK, France, Finland, Estonia, Denmark, Spain and Poland. Kahoot! is listed on the Oslo Stock Exchange under the ticker KAHOT. Mission
To make learning awesome!

Vision
To build the leading learning platform in the world

Kahoot!’s history

Kahoot! was founded in 2012 by Morten Versvik, Johan Brand, and Jamie Brooker who, in a joint project with the Norwegian University of Science and Technology (NTNU), teamed up with Professor Alf Inge Wang, and were later joined by entrepreneur Åsmund Furuseth.

The technology is based on research conducted by Kahoot! co-founder Morten Versvik, a student of Professor Wang’s at the time, for his Master’s degree at NTNU.

Kahoot! began trading on the Oslo Stock Exchange main list on March 18, 2021, after being listed on Euronext Growth on October 10, 2019.

The Kahoot! Group consists of the following companies:

The Kahoot! brand represents the original Kahoot! learning platform that is synonymous with learning and engagement, no matter the subject, age, audience or context.

Clever brings schools, teachers, students and education application developers together in a single sign-on digital learning platform that simplifies accessible learning.

Organizations can connect and engage their work teams with Actimo and Motimate, our employee engagement and learning platforms.

Learners of all ages can make language learning natural with immersive visuals and play through our Drops apps.

The Kahoot! DragonBox series of apps takes math learning to a new level, while the Kahoot! Poio Read app empowers children to learn to read through play.

Whiteboard.fi, the online whiteboard, provides powerful learning tools for educators, teachers and classrooms worldwide.
