Max. size:**5MB**

1

## Copy your existing kahoots into the organization area

Ready to take your games to the next level? Select which of your existing kahoots you like to copy into Kahoot! and share with other trainers. The original version of each kahoot will remain in your private account.

2

3

## Invite trainers

Want to invite other trainers to collaborate on Kahoot!'s kahoots? Just type their emails in the field below to request access for them from your admin.

john.smith@gmail.com

**Add your organization's logo** — it'll let you brand your game, for example, the game lobby and each question screen.

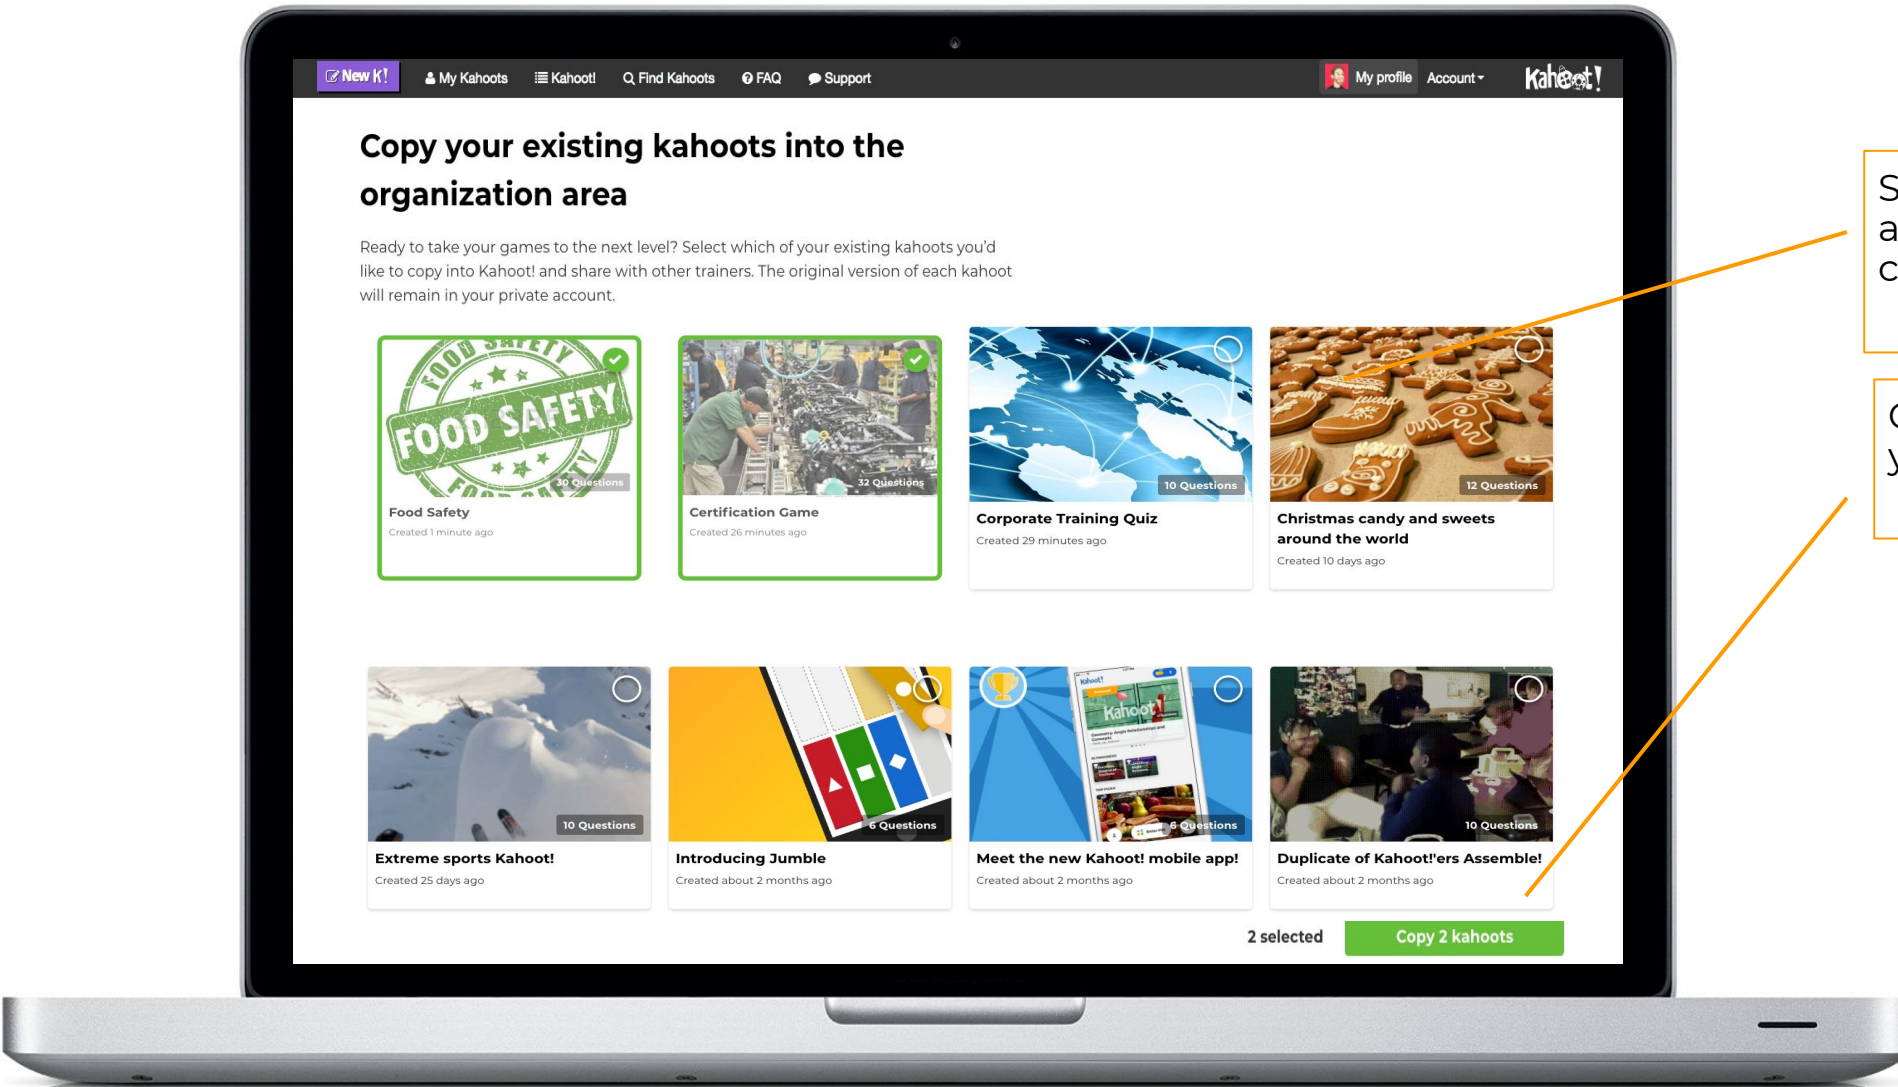

**Copy kahoots** — copy any kahoots from your own account to the shared organization area.

**Invite trainers** — add more trainers to be able to collaborate on kahoots in the private, secure organization area.

1 Each kahoot shows the name of the host and the date when it was played..

2 Details and results for the specific kahoot game.

# DETAILS AND RESULTS OF A GAME

1

The summary section gives the host a great overview of game statistics and export options.

2

View the final leaderboard for the top five players.

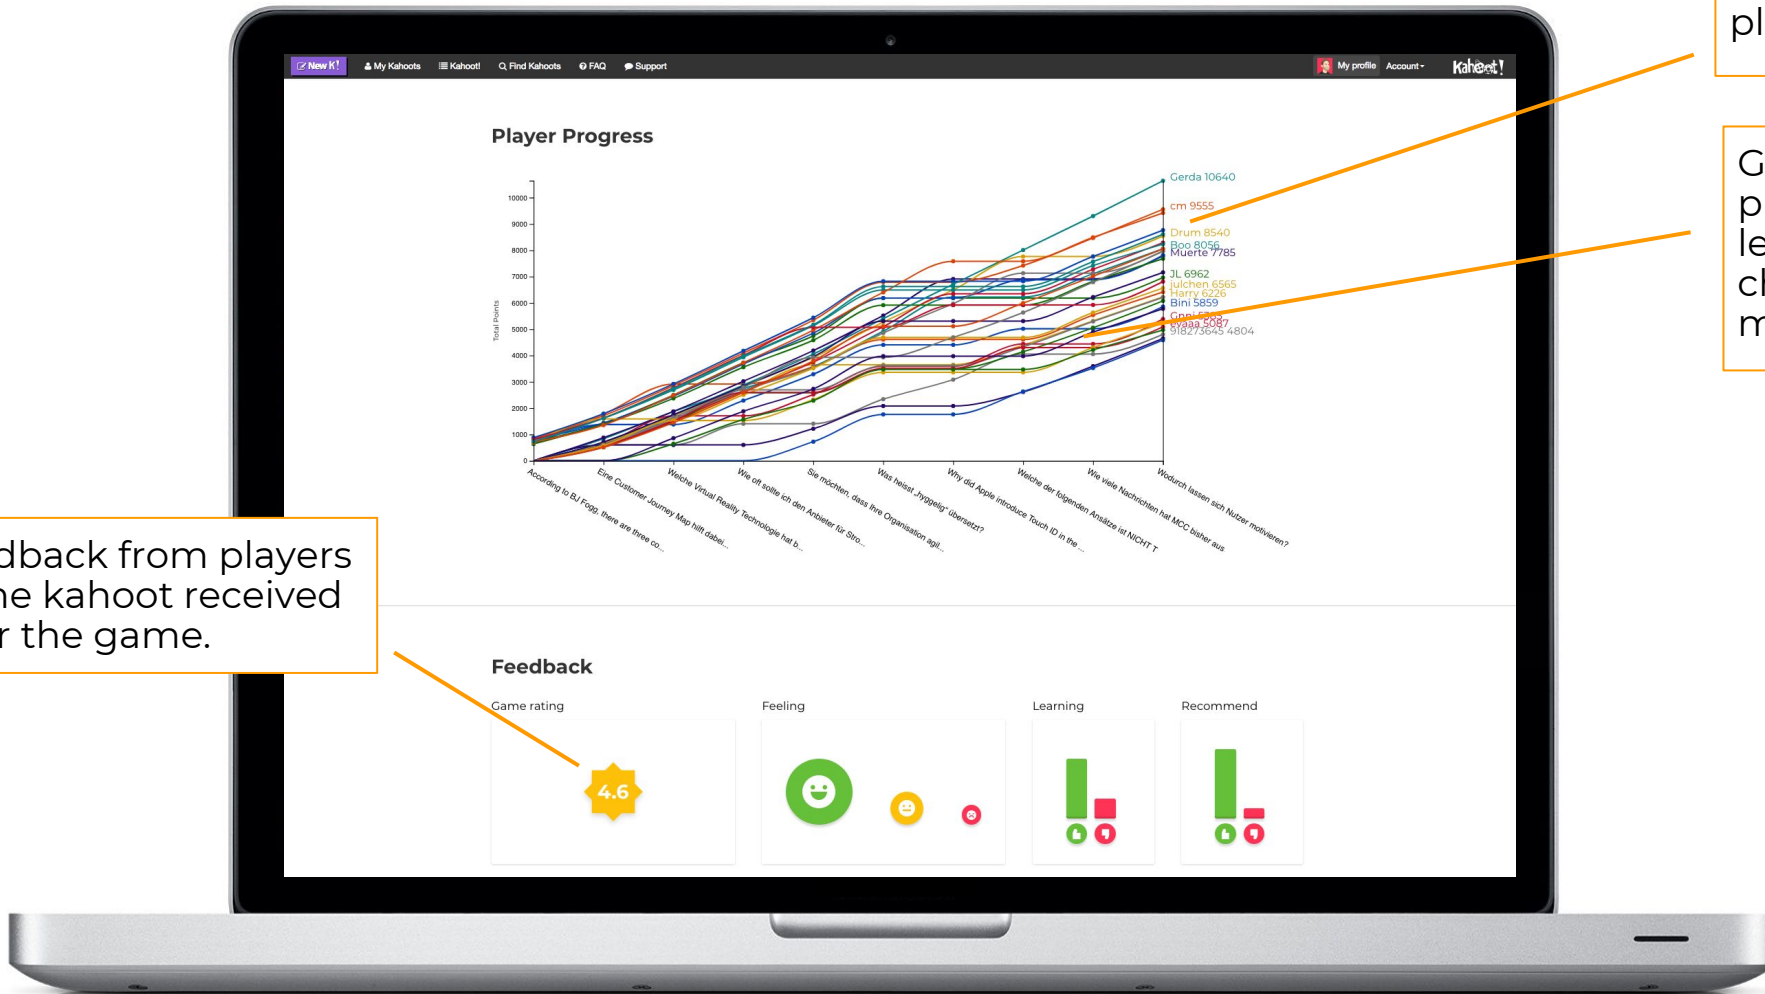

K!

# TRACKING PLAYER PROGRESS AND FEEDBACK

The final leaderboard with players and their points.

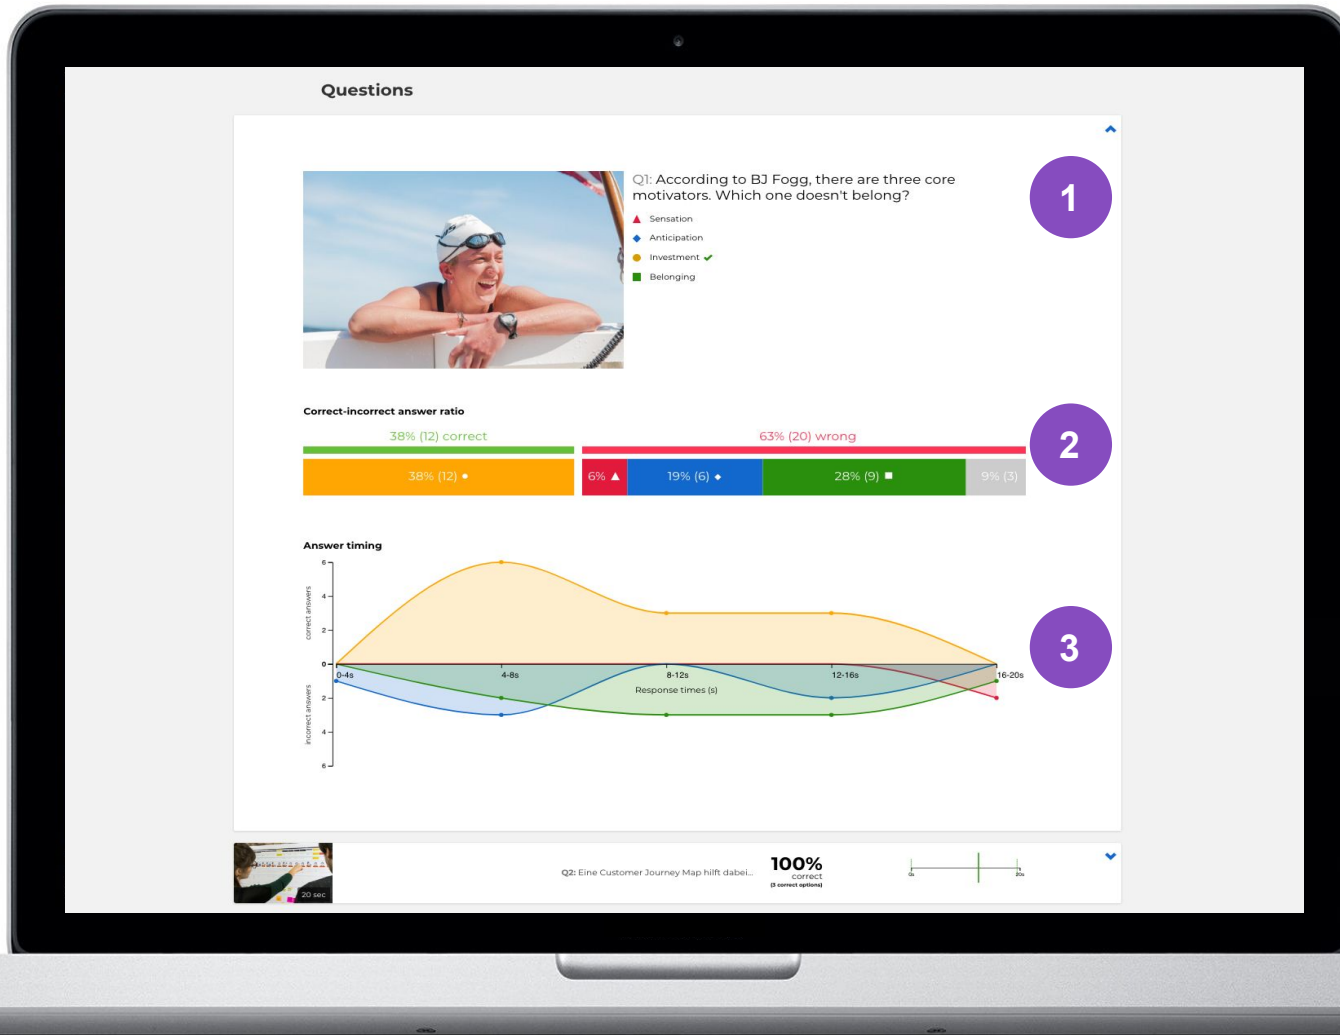

Get insights into the game progress. You can see who was leading and how positions changed, who snuck in last minute, etc.

Feedback from players of the kahoot received after the game.

k!

# QUESTION ANALYSIS

1

Expand each question and gain more knowledge around each question asked in the kahoot.

2

See the percentage of correct answers and how long it took the players to answer them correctly.

3

When did the players answer? Did those who answered quickly get it wrong? Or did people need more time and ended up guessing?

K!

# WHAT IS THE “PLUS” IN KAHOOT! PLUS?
