SET A DEADLINE OF THE CHALLENGE

COPY LINK OR CHALLENGE PIN

Copy the link to share with your students by email, via LMS, etc.

3

1

Or, alternatively, copy the game PIN to be shared with participants.

Share the challenge link to Google Classroom.

ASSIGN HOMEWORK FROM THE APP

How to assign a homework challenge through our new mobile app:

- Log in to your account
- Open a kahoot and tap Play
- Tap **Challenge friends** to create a challenge
- It generates a link or a game PIN that you can share on messengers, by email, etc.
- When the receiver clicks on challenge link, it will open directly in the app OR he / she will be prompted to install the app

RECEIVING HOMEWORK IN THE APP

Receiving a homework as a challenge

- The following screen appears when a student receives a challenge.
- The participants will be asked to download the app if they don't have it installed on their device.
- The more people join the challenge the more fun it gets!
