

Kahoot!

BOOTH #572

MONDAY, JUNE 25

10:00–10:45 am	Learners to leaders: creating with the Kahoot! app demo	Discover how to empower students in the classroom: get them to create their own learning games with our creator tool in the Kahoot! app. Demo will be followed by an informal feedback session.
11:15–11:45 am	Kahoot! for English Learners with Carol Salva, ESL Consultant and NELD teacher	Not just for ESL teachers - but for all those with ELLs in their classroom or school! Boost content area learning, learn how to use curriculum-aligned Kahoot! games, and discover how the Kahoot! app can support ELLs, with both challenges and the creator tool. Finally, learn how to create selfie kahoots for cultural responsiveness!
1:00–1:30 pm	Preview: Get Kahoot! Certified	Want to become the ultimate Kahoot! expert? With our upcoming certification program, you can master advanced ways to play Kahoot!, score awesome badges for your Kahoot! profile, and claim professional learning credits. Learn more!
2:00–2:45 pm	Kahoot!ing all over the world with Steve Sherman, Chief Imagination Officer at Living Maths and Steve Auslander, Skype Master teacher	Want to break down the barriers of your classroom and connect with other teachers and students globally? Learn how to facilitate connected kahoots and travel the world without leaving your seats! The session will feature a live connected kahoot, with players joining from different locations.
3:00–3:45 pm	Learners to leaders: creating with the Kahoot! app demo	Discover how to empower students in the classroom: get them to create their own learning games with our creator tool in the Kahoot! app. Demo will be followed by an informal feedback session.

TUESDAY, JUNE 26

10:00–10:45 am	Engaging and exciting students with Kahoot! challenges with Matt Miller, author of <i>Ditch That Textbook!</i>	Take a tour of our challenge feature and discover ways to maximize engagement with students by creating kahoots that can provide them with extra support and practice outside of class.
11:30 am–12:30 pm	★ FEATURED SESSION Learners to Leaders with the Kahoot! app: student-led demo	Join us for a fun demo hosted by teacher Zack Gilbert and 5th, 6th & 7th graders from Thomas Metcalf School in Normal, IL. The students will showcase our new, in-app creation feature: learning shaped by learners themselves! Register at bit.ly/kahootiste18
12:45–1:15 pm	Kahoot! for English learners with Carol Salva, ESL Consultant and NELD teacher	Not just for ESL teachers - but for all those with ELLs in their classroom or school! Boost content area learning, learn how to use curriculum-aligned Kahoot! games, and discover how the Kahoot! app can support ELLs, with both challenges and the creator tool. Finally, learn how to create selfie kahoots for cultural responsiveness!
