

## Quick checklist: Create an awesome kahoot

Whether you're new to Kahoot! or have been creating learning games for a while, this checklist will help you remember all the things to make your kahoot awesome:

- Original content:** your kahoots aren't copied from other users
- Aligned with Kahoot!'s **Terms and Conditions**
- No copyrighted images** are used
- Descriptive title:** avoid acronyms, textbook chapter references, etc.
- Add a **description** and use relevant hashtags
- Add a **cover image**
- 8-20 questions
- Combine **different question types**
- Use images and videos in questions
- Avoid using more than 3 slides in a row
- Adjust timer options depending on question complexity
- Choose how many points to award
- Set kahoot visibility to **public**
