Quick checklist:

Optimize your profile page on Kahoot! Academy

We're thrilled to have you on board Kahoot! Academy!
Follow this checklist to make sure you've added all the ingredients of an awesome profile page that will make your kahoots shine on Kahoot! Academy:

- [ ] **Profile photo:** we recommend using a real photo if you're an educator or logo if you're a partner

- [ ] **Banner image:** choose from our of our suggestions, or upload your own in high quality
  ❗ If your photo contains people - for example, students in your class - make sure all have given consent to be featured on the web.

- [ ] **Descriptive intro:** share a bit more about yourself or your organization and what kind of content you're sharing

- [ ] **Link to your website** (if you have one)

- [ ] **Social media profiles:** add links so others can connect with you

- [ ] **Personal websites:** links to videos, pdfs and other materials supplementing your kahoots

- [ ] **Top 3 kahoots:** we recommend updating the selection frequently

- [ ] **A few more original kahoots:** keep adding more!

- [ ] **Collections:** make your kahoots easier to navigate

- [ ] **No copyrighted images** are used on the page or in kahoots

- [ ] All content is in line with **Kahoot!'s Terms and Conditions**

- [ ] **Preview changes** as you go

- [ ] **Share a link to your page** with your networks!

Thanks for your contribution to making learning awesome around the world! 🙌
